

Spring Festival

MERLION ENGLISH

February, 9 - 18

2024

Language camp program EMBASSY ENGLISH

01. Camp location: Singapore & Malaysia
02. Age of participants: 9- 19
03. Duration: 10 days
04. English level: From beginners to advanced
05. English clubs with native certified teachers

All camp participants with a low level of English proficiency will be provided with linguistic support by counselors during the tours

The camp combines educational and excursion programs with gamification and motivational training:

English courses within the framework of an exclusively developed program

Development of leadership skills, memory and other skills which are necessary for young generation

A series of motivational and educational trainings

Educational and entertaining excursions around Singapore & Malaysia

Educational quests, games and exciting tours and teambuildings

Accommodation in rooms of a great comfort

Participants of the Camp will be accommodated in new colourful twin apartments as 3* & 4* hotels

In the building and in rooms there is everything the students might need for the comfortable stay and learning

Day 1

Welcome day

Getting acquainted with participants, program and the schedule of the camp, evening sessions

Day 4

Day of the two elements

On this day we will go on a journey through two elements, water and earth.

Day 7

Colours of Malaysia

Malaysia combines 3 different nationalities and cultures, which we will get to know during a sightseeing tour of the city. We will also visit a beautiful bird park.

Day 2

Opportunities day

Innovative Singapore tour. We will learn how from fishing city Singapore become a number ONE innovative country .

Day 5

Universal Studios Day

We will visit the famous bulk entertainment island - Sentosa Island and, of course, immerse ourselves in the atmosphere of the Universal Studios park.

Day 8

Cool Day

A trip to the highlands of Genting. On the cable car we will climb to the very peak of the highlands from where a stunning view of the city opens. We will walk through the Chinese park, those who wish can ride the rides or shop in the outlet

Day 3

Science day

Visit an iconic cultural landmark in Singapore. Our mission is to explore where art, science, culture and technology come together. It is here at the intersection of art and science that innovation and new ideas are formed.

Day 6

Jewel day

Jewel is exactly the name of the complex built within the Singapore airport. We will see an artificial waterfall listed in the Guinness Book of Records, as well as take a walk in the garden, those who wish can participate in the JEWEL-RASSIC quest. Next we will head to Kuala Lumpur

Day 9

Free Day

Free day. Participants of the program can choose an activity to their choice

Farewell day

Summing up, sharing emotions. Packing a suitcase and getting ready to travel back home

Day 10

Excursions Included in the program

Innovative city typ

Universal studios

Future city

Gardens by the Bay

Museum of science
